Subject: RE: Proposed tax reform

Dear Mr. Harrap,

Thank you for your email regarding proposed federal tax changes.

I am fully apprised of the situation and I have spoken personally to Finance Minister Bill Morneau regarding this issue.

In mid-August, I will be convening a round table with legal and tax professionals attending to discuss the proposed changes and put forth recommendations. I am planning on submitting an alternative proposal and discussing it with the Minister of Finance in early September. I appreciate your input which I will include in my presentation to the Minister.

Regards,

Stephen Fuhr, C.D.,
